WYLD representative, Desiree Saunders - desiree.saunders@wyo.gov
Ex-officio State Library representative, Brian Greene - brian.greene@wyo.gov

Accomplishments:

The committee met for the first time in November. We established term commitments. We lost one regional representative and gained Beth Hronek as a new member representing academic libraries. The committee compiled and researched products compatible with SirsiDynix and already in implementation in other library catalogs. We defined major categories of catalog enhancements and established a focus for this year – reader's advisory enhancements. Two members of the committee will be met with reader's advisory vendors at PLA and reported back to the committee on a variety of committee questions. The Chair of the committee is going to COSUGI and will share any information related to SirsiDynix reader's advisory enhancements as well as future SD products to look at.

Recommendations:

None at this time but we should have a reader's advisory service to recommend by the WYLD meeting.

Respectfully Submitted: Adam Van Sickle Chair
