

## WYLD ILS User's Group Yearly Report

### ONLINE QUALITY COMMITTEE

Date: 4/30/2016

#### Responsibilities:

Monitors database quality and recommends appropriate action to the Governing Board.

Committee Members: Cara Nett, Kristy Hardtke, Ellin Stiteler, Susan Stanton, Carla Perez, Cynthia Hughes, Marci Mock, Desiree Saunders and Bobbi Thorpe

#### Accomplishments for the year:

The committee has met monthly via phone conference. Since last June, we have reviewed and updated sections: 2.4.5 – appendix D (reviewing appendix E, F, G and skills checklist for our May meeting). We have added information on RDA, a section on reading levels (lexile, accelerated reader and guided reading) and updated templates. The committee hopes to have version ready for the governing board by the fall.

#### Recommendations:

Region 2 is vacant, so if someone has a recommendation to fill this roll, we'd welcome another person.

Respectfully Submitted: Cara Nett - Chair
