

Wyoming Public Library Statistics FY13

(July 1, 2012 to June 30, 2013)

About the statistics:

Statistics are collected from more than 9,000 public libraries, through the Public Library Statistics Cooperative (PLSC) for Public Library Data. A public library is defined as having: 1) an organized collection of library materials; 2) paid staff; 3) an established schedule when it is open to the public; 4) facilities that support the collection, staff, and schedule, and 5) full or partial support from public funds.

Each of Wyoming's 23 counties has a public library system serving all county residents. There were 23 main libraries, 53 branch libraries and 2 bookmobiles. These libraries report their statistics annually to the Wyoming State Library, which submits it to the PLSC.

Because Wyoming's counties vary widely, statistics have been arranged in order of county population for comparison. Where appropriate, per capita measures have been included. Although these statistics allow for comparisons among libraries, caution should be exercised when interpreting them. Local needs, economies, geography and library policies differ, and that can be reflected in the numbers.

For additional information, visit the Wyoming State Library's statistics page at <http://will.state.wy.us/statistics>.

Statistical tables:

- General information
- Outlets
- Staffing
- Expenditures
- Staff expenditures
- Materials expenditures
- Operating income
- Capital revenue and expense
- Hours and use
- Collections
- Audio
- Circulation
- Electronic resources
- Public programs

For more information:

For additional information, including state ranking tables, and tools to compare libraries nationally, visit the Wyoming State Library's statistics page at <http://will.state.wy.us/statistics>. Custom reports are available upon request.

For questions, comments or requests for additional reports, contact: Susan Mark, Statistics Librarian, toll-free at 1-800-264-1281 (press 3, then 3) locally in Cheyenne at 307-777-5915 or by email at susan.mark@wyo.gov.

Uses of Public Internet Computers Per Year	944,682	990,666	932,835	947,667	907,771

A few facts about Wyoming libraries during FY13:

- Public libraries were open for a combined total of 137,810 hours annually.
- There were 3.63 million visits to public libraries in FY13 – 6.3 visits for every Wyoming resident.
- Circulation hovered just below the 5 million mark in FY13, at 4.98 million, which works out to 8.6 per capita
- Wyoming libraries averaged \$54.01 in expenditures per capita to provide services. Local government provides 95.3% of library revenue, with most of the rest coming from “other” income such as interest, fines, fees and donations. State and federal funding are negligible. The State of Wyoming does not provide direct aid to libraries; instead, it supports WYLDCAT, the GoWYLD databases and other statewide initiatives that support the work libraries do.
- Public libraries held nearly 2.8 million books and audio-visual materials in their collections.
- Expenditures on materials were essentially flat from FY12 to FY13 at just over \$2.7 million.
- also rebounded slightly Spending on collections went from \$2.62 million in FY11 to \$2.74 million in FY12. Collection expenditures per capita declined slightly went from \$4.82 in FY12 to \$4.72 in FY13.
- Wyoming public libraries added 47 internet access computers for patrons in FY12, bringing the total to 862. Computer uses were down from 947,667 in FY12 to 907,771. With most public libraries now offering free public wi-fi, it’s possible that more patrons are bringing their own laptops and devices and using the library’s computer resources that way. Also, total uses sometimes go down when the number of public computers increases as patrons can use them for longer sessions.
- In FY13, Wyoming libraries put on 11,170 children’s programs, with attendance of 296,475. There were 26,647 children, teens and adults participating in summer reading programs in 2013.
- Public libraries employed 669 people for a total of 465.49 full-time equivalent positions and expended \$23.5 million in FY13 in salaries, wages and benefits.
