

Gale Tools Tip Sheet

Gale Tools for Grades K–5

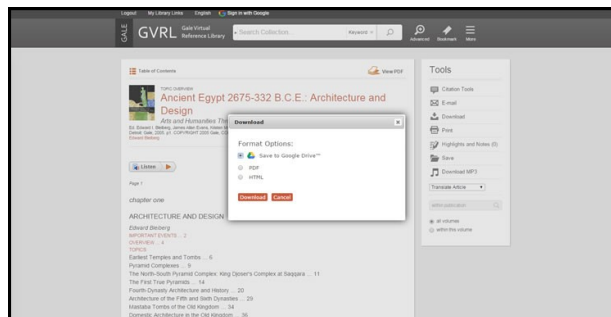

Gale's digital content integrates with G Suite for Education in four exciting ways:

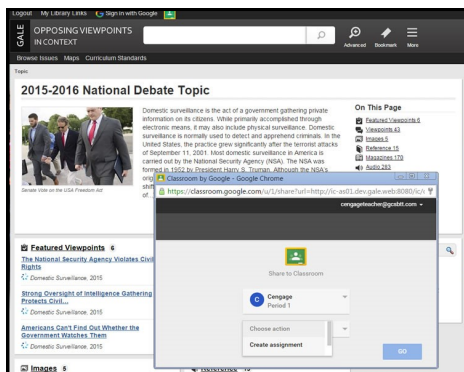

SEAMLESS USER LOGIN

After authentication, users can sign in to use, save, and share Gale content using their Google Account credentials (including Gmail) without having to remember a separate password.

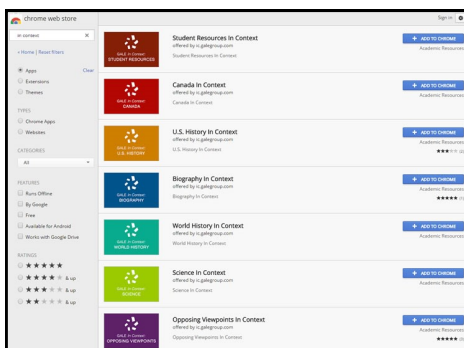

INTEGRATED GOOGLE TOOLS

Once logged in, users can easily share and download articles — including their highlights and notes — using G Suite for Education tools that include Gmail, Classroom, Drive, Docs, and more.

GOOGLE CLASSROOM INTEGRATION

With Google Classroom teachers, faculty, students, and librarians can seamlessly make announcements or assign content to students who in turn can return responses and assignments to their teachers and faculty. Gale is the first library content and technology provider to implement this feature.

IMPROVED ACCESS

Students, educators, and library patrons can access Gale resources via apps available for free download through the Chrome Web Store. These product apps provide an additional way for users to easily access Gale products from their tablets and mobile devices.

Byline: Theresa Waldrop, CNN

(CNN) -- A través de los Estados Unidos, los expedientes de la temperatura están cayendo más rápida que los copos de nieve de esta semana en Erie, Pennsylvania, y ella es solamente yendo a conseguir peor.

De Portland, Maine, a Danville, Virginia, temperaturas cayó puntos bajos de noche de viernes no vistos en décadas. Era 8 grados de Fahrenheit adentro Worcester, Massachusetts, rompiendo un expediente que se había colocado desde 1903.

Si el actual pronóstico es verdad, éste será el tercero-más frío Descenso de la bola de Nochevieja en el Times Square de Nueva York desde el acontecimiento comenzado en 1907, según el nacional *Tiempo* Servicio. El punto bajo previsto sea 8 grados, con una sensación térmica entre menos 10 y cero, los

By using the Bookmark feature, you and others can revisit practically any page you choose after you've ended your current session. The Bookmark feature is available for an individual document, topic page, search results, etc. While viewing a page, simply click Bookmark in the top black banner. A separate window will open, allowing you to copy and paste the Bookmark link into another document, web site, teaching tool, you may add it your favorites list and/or e-mail it.

BASIC SEARCH with SEARCH ASSIST

Basic Search offers a straightforward way to search featuring a single search box. Search Assist will help suggest keyword phrases to efficiently find information. This search is ideal when keywords and phrases are too specific to be found in the Browse Categories and Topics. The system will look for a Topic page that matches your search criteria – Popular topics will be in a ***Bold Italicized*** print; if the system is unable to find an exact or a near-match with a popular topic, the system will perform a keyword search of the resource and display a standard results list. If no results can be found, you will get a message asking you to revise your search.

BROWSE TOPICS

Students can browse topics within a category to find what interests them.
