## Governing Board Members-At-Large (1 position)

### **Member-At-Large Linann McDonald**

My name is Linann McDonald and I would like to be considered for Large Public Library Representative. My time at Natrona County Library started about eight years ago as a volunteer. Since then, I have had the privilege to work in the Circulation, Adult Services, and Tech Services departments. I am currently the Lead Cataloger, and I absolutely love my job. In 2024-2025, I participated in the LEAD Mentoring Program as a mentee and was paired with a phenomenal mentor. After the conclusion of that program, my mentor and I decided to present together at the 2025 WLA Conference on Inclusive Cataloging to spread awareness of this important topic. In April 2026, I graduated from the 8-month long Casper Leadership Program in which I took monthly leadership classes and learned about various organizations and businesses in Casper. I would be very grateful to be able to put my recent leadership lessons to use by being voted in as part of the WYLD Governing Board.
