6. Subject heading discussion – It was decided that a committee that includes a few members from the EDI committee as well as a director or two would help round out our discussion. These are the options we would be looking at:
 - a. Leave current terms in Workflows, but change it in Wyldcat so patrons only see the updated term (easiest for upkeep)
 - b. Leave current term in but also add new term.
 - c. Replace current term with new term.
 - d. Other option(s)?

We are moving to Aspen so we need to research what the possibilities are for how things display in Aspen. **We did not set a plan as to when to create the committee or what goals we want the committee to meet.**
7. Confirm next meeting – **Monday August 29, 1:00 pm-2:30 pm.**
8. Meeting adjourned at 2:31 pm.
