

2012 Poudre River Public Library District Board Self-Evaluation

The following questions are to be completed by members of the Board of Trustees of the Poudre River Public Library District for the sole purpose of informing discussion and continuous improvement in Board operations and performance. This is our opportunity to assess individual Trustee impressions of Board operations and solicit thoughts on ways we might better serve our constituents and the District. Individual responses will be compiled into a larger draft and will be treated as anonymous to the extent possible. Please return completed forms to by August 8, 2012.
