#1 Design your Dream Car

Materials

- Car Outline Printouts
- Crayons, markers, colored pencils
- Stickers
- Glue sticks

Instructions

Kids get a blank car template to color and customize. Hang completed cars on a 'Kid Garage Wall of Fame' bulletin board.

#3 Parts Match-Up

Materials

- Laminated diagram of a car
- Velcro-backed car parts (printouts or small toys)
- Flashcards with the part name and a fun fact

Instructions

Match real or illustrated car parts to where they belong on a labeled poster. Include age-friendly definitions, ex. 'Engine = the heart of a car'!

#2 Matchbox Car Wash

Materials

- Plastic bins with water + bubbles
- Old toothbrushes or sponges
- Towels to dry cars
- Matchbox cars

Instructions

A sensory play station with soapy water and toy cars.

#4 Tire Toss Challenge

Materials

- Hula hoops or DIY cardboard 'tires'
- Beanbags of small plus 'tools'
- Scorecard or stopwatch if you want to race.

Instructions

Toss beanbags into a cardboard tires or hula hoops.

Kids' Pit Stop Stations

Stations 5-8

#5 Mini Mechanic Photo Booth

Materials

- Toy tools, goggles, bandanas, mechanic jumpsuit, race driver jumpsuit, hats, helmets.
- Cardboard cutout car or backdrop.
- Photo stand or instant photo printer.

Instructions

Dress up like a mechanic or race car driver and take fun photos.

#6 'Rev up Your Brain' Trivia Wheel

Materials

- Spinner or wheel
- Easy questions (e.g. 'what color means go?')
- Prizes: toy cars, stickers, etc.

Instructions

Spin a wheel and answer a fun transportation-related trivia question.

#7 Build-a-Car STEM Table

Materials

- LEGO, DUPLOs, building kits
- Cardboard recyclables to transform into transportation (egg cartons, milk jugs, tp rolls, etc).

Instructions

Use LEGO, magnetic tiles, or cardboard to build your own vehicle.

#8 License Station

Materials

- Mini ID card template
- Markers, camera, laminator, or sleeves.

Instructions

Let each child create their own 'Driver's license' with their name, age, photo, and favorite color car.
