e-books for e-kids

Use Your Library Card to Access Over 11,000 Titles for Kids in Grades K-6!

TumbleBooks are animated, talking picture books which teach kids the joy of reading in a format they'll love. They are created by taking existing picture books, adding animation, sound, music and narration to produce an electronic picture book which you can read, or have read to you.

The TumbleBook Library contains
e-books and audio books;
read-along chapter books;
National Geographic videos;
playlists; graphic novels;
non-fiction books;
and so much more!
