A connected school library community is a stronger school library community! If you know a Wyoming school library staff member who is not on the Wyoming Library Association School Library mailing list, encourage them to sign up for emails. I would be happy to add their name to the list and visit with you about your school library program and how the State Library can support or assist you. See my contact information at the bottom of this email.

TECH TIP

Here is a great tip contributed by Lori Clark-Erickson, Teacher Librarian at Jackson Hole High School. Lori subscribes to *Tech Tip Tuesday*, a helpful weekly brief video authored by Colorado Librarian Casey Veatch. One particularly useful tip is how to start a YouTube video at a certain point, handy if showing a video in its entirety is more than is needed. View the video here <https://www.youtube.com/watch?v=bdZ843dPNKU>. To subscribe to *Tech Tip Tuesday*, visit this link: <https://www.youtube.com/channel/UCWmXoS0g6Wmuyr0Do9-byxg>.

Join me for "Conferences for Wyoming School Librarians" on Thursday, Feb. 25 at 10:00 a.m. I will present an overview of conferences that are beneficial for meeting PD goals for K-12 Wyobrarians, as well as grants available through WSL.
