

Computer Skills Training for Novice to Advanced Users

Computers are a necessity — at home, at work and at school. Whether you're looking to brush up on the fundamentals of computers, more easily navigate the web, or learn a new software program, the library is here to help.

Enjoy free access to more than 90 self-paced video tutorials with EBSCO LearningExpress's *Computer Skills Center*, available through the library website.

Topics covered:

- Computer and internet basics, including social media
- Popular Microsoft software applications
 - Access
 - Excel
 - Office 365
 - OneDrive
 - Outlook
 - PowerPoint
 - Project
 - SharePoint
 - Visio
 - Word
- Popular Adobe graphics and illustration tools
 - Illustrator
 - Photoshop
- Windows Operating Systems
